loading / parking spaces along wall to roadway,  
with roller shutter access.

## Description

**The Triumph Trading Estate** Units have all been formed by sub division of a larger building. Partition walls are formed by concrete blocks to the roof line. The roof structure is of 4 pitched bays with a mixture of traditional sheets and roof lights. A new roof has been laid over the original, providing enhanced insulation, and additional gutter capacity. Floors are concrete with a paint finish.

**Unit 3** has a 3.2m x 3.2m roller shutter door, and separate personnel door. Windows and roof lights combine to provide a generous degree of natural light. There are existing toilet, office and kitchen facilities. Additional fitting out can be done to tenant demand including network and IT, racking and more office space.

**Floor space** is largely unobstructed and the height of the Units permits modern racking systems to be deployed, although it should be noted that eaves heights are restricted to just under 12 ft. in the rear half of the Unit

**Triumph Trading Estate** operates 24 hrs per day, 7 days per week. There are 3 internal Estate Roads ensuring good traffic circulation, and there are 4 parking spaces plus loading door access for Unit 3AB.

Unit 3 has a **3 phase Mains Electricity Supply** rated at 100A. Mains Drainage and Mains Water is present.

Lighting is fitted and single phase Power outlets are ready wired.

The office is prewired for internet and telephone services provided by the Landlord although tenants are free to make their own arrangements if desired.

Triumph Trading Estate utilises off site management and maintenance staff provided from our Edmonton Hastingwood Trading Estate site, and this is reflected in a low service charge, currently estimated at £0.70 psf.

**Rates.** The Valuation Office are re rating Unit 3AB but the Landlord estimates an RV of £29,000 which equates to approx. £12,500 payable annually (£241 pw). SBRR will not apply.

Hastingwood provides a free Rates Appeals and Advisory service to all tenants.

**Planning.** B1, B2 and B8 – light industrial, warehousing, or factory use.

**The Premises** are available on either Leasehold or Licence terms. Licences can be for a minimum of 3 months. Tenancy Agreements are straightforward – occupation can be immediate, complete with Electricity and Gas supplies.

**The Premises** are also available for Sale – contact the Landlords or Agents for further details.

A monthly **Service Charge** is payable in respect of services provided including Buildings Insurance, CCTV system, Water, CP Refuse, Exterior decoration, Estate roadways, and Common Parts maintenance.

**Legal Costs.** If solicitors are instructed, tenant to pay both parties legal costs.
